Office Hours: 8:00 AM to 5:00 PM (M – F)

Dear City of Sandy Resident:

On behalf of the management and employees of Hoodview Disposal & Recycling, Inc. (HDR) we are honored and delighted to have been selected as your new solid waste and recycling franchisee. On **May 1, 2005** our company will roll out a fully automated package of collection services for weekly curbside solid waste, yard debris and recycling collection. All residential customers will be supplied with new roll carts and bins in order to facilitate this program. Again, you will be able to set both your recycling and yard debris carts out for collection **WEEKLY!**

During the last three weeks of April, we will be delivering you a new roll cart for solid waste (cart size will depend on your current or preferred service level), a 95-gallon cart for mixed recyclables, a 14-gallon recycling bin for bottle glass and used motor oil, and a 65-gallon cart for yard debris. Each cart will have a unique color to differentiate it from carts that are designated for other materials. Also, the category of material to be placed in each cart is labeled on the lid. A detailed material preparation information brochure will be attached to your carts when they are delivered.

Automated Truck & Cart

HDR is a family owned Oregon corporation, based in Canby Oregon, with over 35 years of experience in the solid waste and recycling industry. HDR is a sister company of K.B. Recycling (KB) which is also headquartered in Canby. KB is considered one of the pioneers in recycling and waste reduction in Oregon and the nation. KB's Clackamas, Oregon location houses HDR's customer service and collection team. Our Clackamas address is:

9602 SE Clackamas Road
Clackamas, OR 97015
(behind Lumberman's off Hwy 212)

Between now and May 1, 2005 you can expect to receive an additional mailing describing our implementation plans for our transition to becoming your new solid waste and recycling service provider. This literature will also list what our records show as your current collection requirements. You will be given an opportunity to make any changes regarding your collection needs.

Your new collection day (starting the first week in May) will be listed on the material preparation flyer that will be attached to your carts when they are delivered in April. This information will also be posted on our web site at www.hoodviewdisposal.com. We are committed to providing you with a seamless transition from your current service provider to our company. Again, we are honored to have been selected as your new solid waste and recycling franchisee and look forward to providing you with exceptional service.

Yours Truly,

Fred Kahut
President
